Accenture Agency User guide

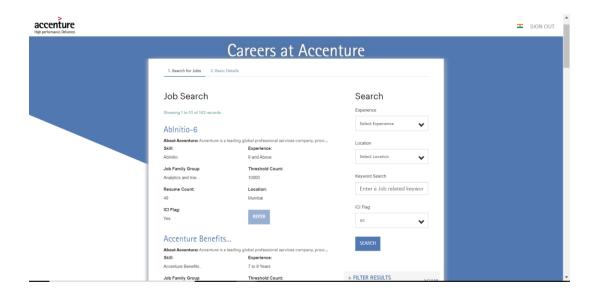

- Login to the Accenture India Jobs Portal URL https://india.jobs.accenture.com/Default.aspx
- 2. Select the Agency tab and sign in using your log in credentials

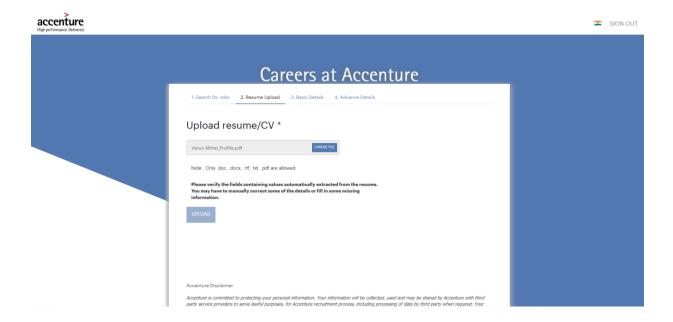

3. Click on **search demand** and go to respective entity you are empaneled to help with sourcing

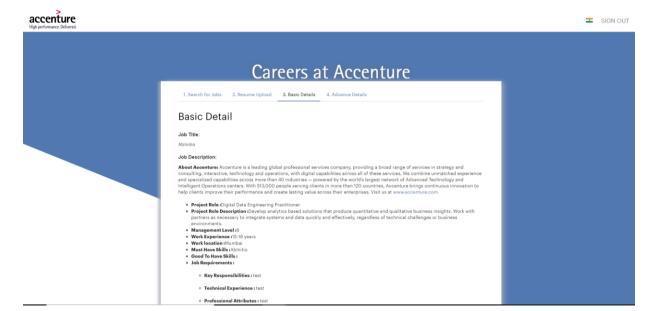

This will take you to a page displaying all the open positions. You can search for a relevant job using the filters – based on skills/ years of experience/ location. You can click on the job name to understand the JD.

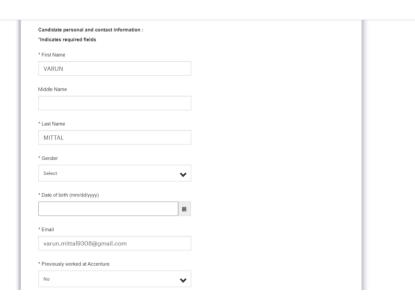

4. Click on **refer** and **upload** the resume of the candidate and fill in the application form. Post- completion of basic details tab, a duplicity check will take place. If the candidate is duplicate, you will be informed, if not, you can go ahead with filling details in the advanced details tab.

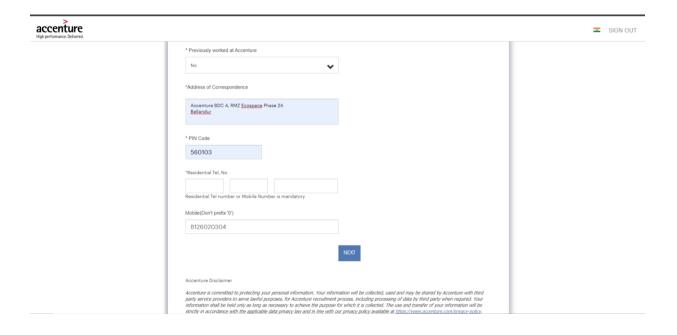

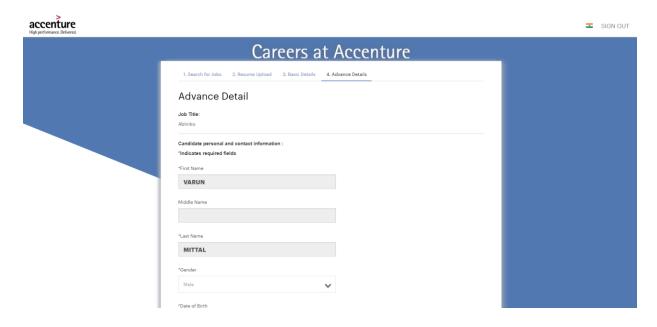

■ SIGN OUT

5. Post successful filling of application form, a CID will be created, and you shall receive an email on the same, along with the candidate.
